ASSIGNMENT OF CLAIM

Hughes Associates, Inc., having a mailing address at 3610 Centimere Dr #17, Baltimore, MD, 21227 ("Assignor"), in consideration of the sum of the "Purchase Price"), does hereby transfer to FAIR HARBOR CAPITAL, LLC, as agent ("Assignee"), having an address at 875 Avenue of the Americas, Suite 2303, New York, NY 10001, all of Assignor's right, title and interest in and to the claim or claims of Assignor, as more specifically set forth (the "Claim") against W. R. Grace & Co., et al. ("Debtor"), Debtors in proceedings for reorganization (the "Proceedings") in the United States Bankruptcy Court, District of Delaware (the "Court"), Case Nos. 1-01139 et al. (Jointly Administered Under Case No. 01-01139), in the currently outstanding amount of not less than \$4,550.00, and all rights and benefits of Assignor relating to the Claim, including without limitation the Proof of Claim, if any, identified below and Assignor's rights to receive all interest, cum payments that it may be entitled to receive on account of the assumption of any executory contract or lease related to the Claim and fees, penalties and fines, if any, which may be paid with respect to the Claim and all other claims, causes of action against the Debtor, its affiliates, any guarantor or other third party, together with voting and other rights and benefits arising from, under or relating to any of the foregoing, and all cash, securities, instruments and other property which may be paid or issued by Debtor in satisfaction of the Claim. The Claim is based on amounts owed to Assignor by Debtor as set forth below and this assignment shall be deemed an absolute and unconditional assignment of the Claim for the purpose of collection and shall not be deemed to create a security interest.

- ☐ A Proof of Claim in the amount of \$_____ has been duly and timely filed in the Proceedings (and a true copy of such Proof of Claim is attached to this Assignment). If the Proof of Claim amount differs from the Claim amount set forth above, Assignor shall nevertheless be deemed the owner of that Proof of Claim subject to the terms of this Agreement and shall be entitled to identify itself as owner of such Proof of Claim on the records of the Court.

Assignor further represents and warrants that the amount of the Claim is not less than \$4,550.00 that the Claim in that amount is valid and that no objection to the Claim exists and is listed by the Debtor on its schedule of liabilities and any amendments thereto ("Schedule") as such; the Claim is a valid, enforceable claim against the Debtor; no consent, approval, filing or corporate, partnership or other action is required as a condition to, or otherwise in connection with, the execution, delivery and performance of this Agreement by Assignor; this Agreement has been duly authorized, executed and delivered by Assignor and Assignor has the requisite power and authority to execute, deliver and perform this Agreement; this Agreement constitutes the valid, legal and binding agreement of Assignor, enforceable against Assignor in accordance with its terms; no payment or other distribution has been received by Assignor, or by any third party on behalf of Assignor, in full or partial satisfaction of, or in connection with the claim; Assignor has not engaged in any act, conduct or omissions that might result in Assignor receiving in respect of the Claim proportionately less payments or distributions or less favorable treatment than other unsecured creditors; the Claim is not subject to any factoring agreement, Assignment or assignment of the Claim, and Assignor has no obligation to any third party in relation to the Claim; Assignor has no knowledge of any claims, defenses or defenses or preferential payment demand that have been or may be asserted by or on behalf of Debtor or any other party to reduce the amount of the Claim or to impair its value.

Assignor hereby agrees that in the event that Assignor has assigned or sold or does assign or sell the Claim to any other party or has or does receive any other payment in full or partial satisfaction of, or in connection with the Claim, or any third party has assigned or sold or does assign or sell the Claim to any other party or has received or shall receive on behalf of Assignor, payment in full or partial satisfaction of, or in connection with the Claim, and Assignor does not receive the allocated distribution with respect to the Claim from the Debtor's estate on account of such other assignment or sale, then the Assignor shall immediately reimburse to Assignee all amounts paid by Assignee to Assignor, plus an amount equal to an additional thirty-five percent (35%) of the Claim amount as liquidated damages suffered by Assignee on account of such other assignment or sale to the other party. Assignor further agrees to pay all costs and attorney fees incurred by Assignee to collect such amounts.

Assignor is aware that the above Purchase Price may differ from the amount ultimately distributed in the Proceedings with respect to the Claim and that such amount may not be absolutely determined until entry of a final order confirming a plan of reorganization. Assignor acknowledges that, except as set forth in this Assignment, neither Assignor nor any agent or representative of Assignor has made any representation whatsoever to Assignor or Assignee regarding the Claim or the Proceedings to make an informed decision regarding the sale of the Claim and that it has independently and without reliance on Assignor, and based on such information as Assignor has deemed appropriate (including information available from the files of the Court in the Proceedings), made its own analysis and decision to enter into this Assignment of Claim.

Assignor agrees to make to Assignee immediate proportional restitution and repayment of the above Purchase Price to the extent that the Claim is disallowed, subordinated, objected to or otherwise impaired for any reason whatsoever in whole or in part, or if the Claim is not listed on the Schedule, or listed on the Schedule as unliquidated, contingent or disputed, or listed on the Schedule in a lesser amount than the Claim amount together with interest at the rate of ten percent (10%) per annum on the amount repaid for the period from the date of this Assignment through the date such repayment is made. Assignor further agrees to reimburse Assignee for all costs and expenses, including reasonable legal fees and costs, incurred by Assignee as a result of such disallowance. In the event the Claim is ultimately allowed in an amount in excess of the amount purchased herein, Assignor is hereby deemed to sell to Assignee, and, at Assignee's option only, Assignee hereby agrees to purchase, the balance of said Claim at the

same percentage of claim paid herein not to exceed twice the Claim amount specified above. Assignee shall remit such payment to Assignor upon Assignor's satisfaction that the Claim has been allowed in the higher amount and is not subject to any objection by the Debtor.

Assignor acknowledges that, in the event that the Debtor's bankruptcy case is dismissed or converted to a case under Chapter 7 of the Bankruptcy Code and Assignee has paid for the Claim, Assignor shall immediately remit to Assignee all monies paid by Assignee in regard to the Claim and ownership of the Claim shall revert back to Assignor.

Assignor hereby irrevocably appoints Assignee as its true and lawful attorney and authorizes Assignee to act in Assignor's stead, to demand, sue for, compromise and recover all such amounts as now are, or may hereafter become, due and payable for or on account of the Claim herein assigned. Assignor grants unto Assignee full authority to do all things necessary to enforce the claim and its rights there under pursuant to this Assignment of Claim. Assignor agrees that the powers granted by this paragraph are discretionary in nature and that Assignee may exercise or decline to exercise such powers at Assignee's sole option. Assignor shall have no obligation to take any action to prove or defend the Claim's validity or amount in the Proceedings. Assignor agrees to take such further action, at its own expense, as may be necessary or desirable to effect the assignment of the Claim and any payments or distributions on account of the Claim to Assignee including, without limitation, the execution of appropriate transfer powers, corporate resolutions and consents.

Assignor further agrees that any distribution received by Assignor on account of the Claim, whether in the form of cash, securities, instrument or any other property, shall constitute property of Assignee to which Assignee has an absolute right, and that Assignor will hold such property in trust and will, at its own expense, promptly (but not later than 5 business days) deliver to Assignee any such property in the same form received, together with any endorsements or documents necessary to transfer such property to Assignee.

If Assignor fails to negotiate the distribution check issued to Assignor on or before ninety (90) days after issuance of such check, then Assignee shall void the distribution check, the amount of cash distributable to such check shall be deposited in Assignee's bank account, and Assignor shall be automatically deemed to have waived its Claim. Unless Assignee is informed otherwise, the address indicated on this Assignment of Claim shall be the proper address for distribution purposes unless a Proof of Claim has been filed, in which case the address on the Proof of Claim shall be utilized for such.

The terms of this Assignment of Claim shall be binding upon, and shall inure to the benefit of and be enforceable by Assignor, Assignee and their respective successors and assigns.

Assignor hereby acknowledges that Assignee may at any time reassign the Claim, together with all right, title and interest of Assignee in and to this Assignment of Claim. All representation and warranties made herein shall survive the execution and delivery of this Assignment of Claim and any such re-assignment. This Assignment of Claim may be executed in counterparts and all such counterparts taken together shall be deemed to constitute a single agreement.

Assignor hereby acknowledges that Assignee may at any time reassign the Claim, together with all right, title and interest of Assignee in and to this Assignment of Claim. All representation and warranties made herein shall survive the execution and delivery of this Assignment of Claim and any such re-assignment. This Assignment of Claim may be executed in counterparts and all such counterparts taken together shall be deemed to constitute a single agreement.

CONSENT AND WAIVER

Upon Assignor's delivery to Assignee of its executed signature page to this Assignment of Claim, Assignor hereby authorizes Assignee to file a notice of transfer pursuant to Rule 3001 (e) of the Federal Rules of Bankruptcy Procedure ("FRBP"), with respect to the Claim, while Assignee performs its due diligence on the Claim. Assignee, at its sole option, may subsequently transfer the Claim back to Assignor if due diligence is not satisfactory, in Assignee's sole and absolute discretion pursuant to Rule 3001 (e) of the FRBP. In the event Assignee transfers the Claim back to Assignor or withdraws the transfer, at such time both Assignor and Assignee release each other of all and any obligation or liability regarding this Assignment of Claim. Assignor hereby acknowledges and consents to all of the terms set forth in this Assignment of Claim and hereby waives (i) its right to raise any objection hereto, and (ii) its right to receive notice pursuant to Rule 3001 (e) of the FRBP.

IN WITNESS WHEREOF, the undersigned Assignor hereunto sets its hand this 28th day of MAY, 2008.
